

# Embedded Systems Minor Application, Winter 2020

## Engineering & Design Department, WWU

### INSTRUCTIONS:

- Admission to the Embedded Systems minor is a two-phase process. Students must complete the courses listed below in order to apply to the minor. Admission to minor status is determined by academic performance in these courses and other factors. Admission to the minor is competitive. Neither completion of the prerequisites nor attainment of any specific GPA guarantees admission. The Embedded Systems minor is not available to Electrical Engineering majors.
- Minor Prerequisite courses: MATH 124, MATH 125, MATH204, PHYS 161, PHYS 162, and CSCI 140 or CSCI 141. Students must obtain at least a C- in the above courses and an overall GPA in them of 2.0 or higher to be considered. AP scores are converted to GPA as follows: 5 = A; 4 = B; 3 = C. Decisions are based primarily on cumulative GPA in the prerequisite courses, but successful completion of other required Minor courses, GPA in a Major, and overall GPA are also considerations.
- Only complete applications will be given consideration. Late applications will not be accepted.
- **Submit completed applications to the Engineering Department Office (ET 204) or by email to [lisa.ochs@wwu.edu](mailto:lisa.ochs@wwu.edu) by Noon on February 7, 2020.**

### 1. Personal Information (PLEASE TYPE OR PRINT CLEARLY IN DARK INK)

_____	_____	_____
Last Name	First	Major
W_____	_____	_____
Student #	Phone #	Email address

2. All courses below must be completed (C- or better) by the end of Spring Quarter. List grades (including non-passing grades and withdrawals) attained in the following courses plus any other courses required for the major.

Course	Grade, AP score, or "In Process"	Course	Grade, AP score, or "In Process"
MATH 124		PHYS 161	
MATH 125		PHYS 162	
MATH 204		CSCI 140 (or 141)	

3. If you have **Transfer Credits** that go towards the minor, attach an **unofficial transcript(s)** from transfer institution(s) **AND a Transfer Equivalency Report** (found under student records in Web4u).

I hereby certify that the information in this application is true and correct to the best of my knowledge.
