Engineering & Design Course or Prerequisite Exception Request

• This form must be completed and submitted to your advisor by the end of the fifth week of the quarter prior to the time at which a decision is required.
• If the request is the result of a grade received in a course the quarter prior to the affected course being taken, the deadline will be extended to the end of the first week of classes.

Instructions: Complete this side of the form, attaching any additional information that you believe is important. Submit/email the form to your advisor for completion of the top of the back page. He or she is responsible for getting the form to the Curriculum Committee.

Name: _______________________________ W#: ______________ Pre/Major: ________________

Phone number: ________________ WWU E-mail: ______________________________

Advisor: ______________________________

Exception or substitution requested:

Reasons for exception or substitution (attach any additional information):

a. Background - Provide an explanation for why you need this exception?

b. Justification – How does this exception meet the required learning objectives?

c. Benefit - How would this exception benefit your time to graduation?

Signature: _______________________________________________ Date:________________
Advisor Instructions: Please review the student’s request. Considering the student’s entire academic history provide a clear rationale for approving or denying this request, and turn in to the director of your program. DO NOT give the form back to the student.
